Alpe d'Huez is a great playground with varied activities to enjoy with your family and friends. The special naming of "Lifestyle Resort" is justified by the resort's natural features and richness.

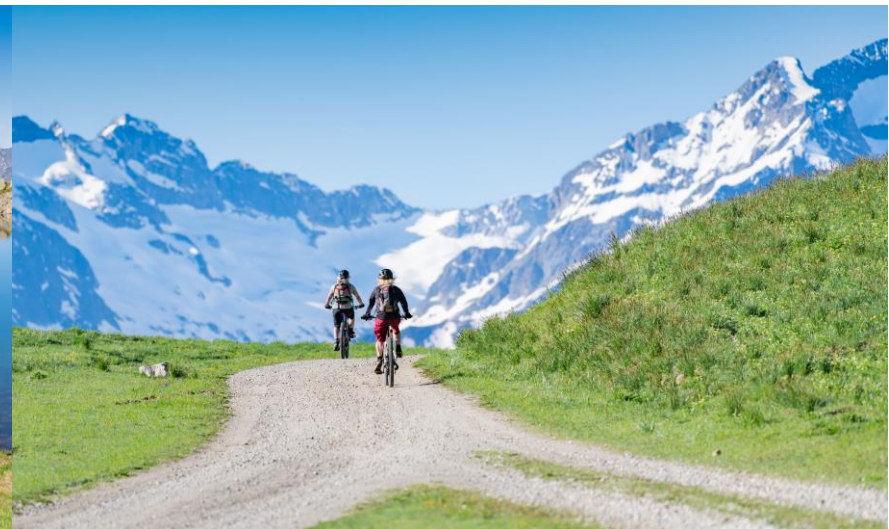

Alpe d'Huez is the ideal place for lots of activities: sport (hiking, aerial, cycling, horse riding, ...), cultural and relaxing, but it's also a resort with big [events](#)!

A ski resort always in motion !

This year, Alpe d'Huez ski resort will open with modernised equipment and the next years will be full of technical news !

2 new residences to welcome your clients : Odalys l'Eclosé in Alpe d'Huez with 1400 beds and Vacanceole Ecrin d'Auris, 3* residence in Auris.

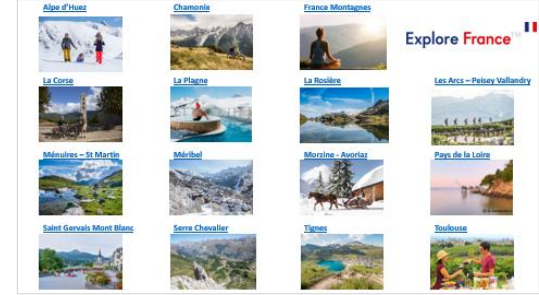

With a perfect location just next to Le Mont Blanc, Chamonix offers a wide variety of activities both in Summer and in Winter. Skiing, biking, hiking, camping or try one of the original activities below.

5 NEW ENTERTAINING TRAILS ON THE THEME OF CLIMATE ADVENTURE Visitors are invited to **hike in the footsteps of Joseph Vallot**. In the 19th century, the emblematic scientist was already questioning the evolution of the climate and the landscapes of the Chamonix valley.

HIGH MOUNTAIN BIVOUAC Live a unique experience by **sleeping one night in a tent** in the heart of the Vallée Blanche on the Glacier du Géant.

A FOREST CHEESE FONDUE with the Compagnie des Guides de Chamonix, organizing a **gourmet evening excursion**, in a pine forest, up above the village of Servoz, a perched hut with a blazing log fire awaits its guests. There is nothing quite like a delicious cheese fondue meal on a winter or summer night in the heart of nature!

There are many good reasons to choose the French mountains for the vacations!

Discover the **world-famous mountains** or the small authentic altitude villages.

Enjoy **the calm and the beautiful nature**.

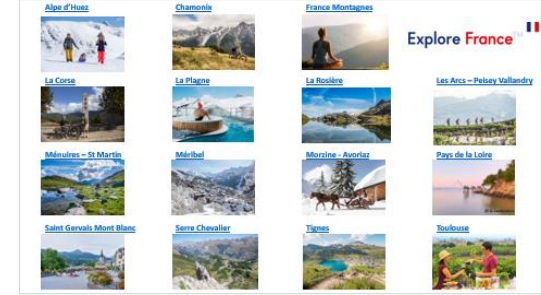

There are activities for every taste.

Dreaming of a **slow tourism** or more into **high-speed experiences**, there are all the possibilities in the mountains.

The French mountains consist of 6 massifs, no less than 26 linked ski areas and 350 resorts. In Summer, the snow gives place to hiking and biking trails.

Charming villages, modern resorts, medium or high altitude, all have their own character and atmosphere, reflecting the **French art of living** in the middle of grandiose landscapes.

L'île de la Beauté deserves well its nickname. Situated in the middle of the Mediterranean sea, with beautiful landscapes, authentic villages and breathtaking views what's not to love about it. Corsica also offers a wide range of outdoor activities in the sea, on land or in the air. One good way to discover this beautiful island is by jumping on a bike and follow the "Great Crossing" from Capi to Bonifacio

The GT20: the 'great crossing'

This is the new flagship of **cyclo-tourism** promoted by the Corsica tourist board. With its 13 stages spread over 550km, the challenge is worth it. On a road bike, mountain bike or even an electric bike, it's another newly emerging face of Corsica.

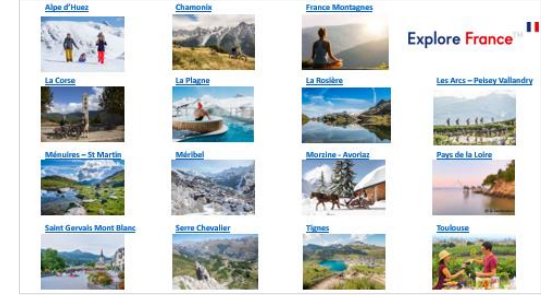

When the tortuous relief of the island turns into a great adventure playground, it reveals a large backbone stretching from the Capi to Bonifacio. In its wake are the subtle **charms of mountain villages**, a **bird's-eye view of the sea** and a possible **escape to the peaks of the GR20**. Both thrillseekers or those eager to relax will be won over. Whether you're a sportsman or a simple hedonist, the choice is vast. In a way, everyone has their own GT20.

La Plagne is a one of **11 sites between 650m and 2000m**. Some are historically attached to the mountain; others were born with the enthusiasm for winter sports. All are linked by the **Paradiski®** ski area and, as well as being connected by the slopes, all wear the same red pom-pom hat.

Like a large family, the personalities complement each other, and the destination is much more intimate than it seems.

What's new

Rider's Nation" Snowpark. The historic Belle-Plagne now offers a choice to offer green and blue lines evolving towards some **expert modules**.

Accessibility remains the key word, and for those who prefer to watch the show, everything is designed for them to enjoy it up close!

La Plagne gives its glacier back to nature. Taking note of the climatic changes visible on its glacier, and as proud as it is of the part of its ski area at an altitude of 3,250 m, La Plagne has had to envisage the future differently.

A redevelopment which aims to completely shift the upper part of the gondola to the left shoulder of Bellecôte, at 3060 m. The opening of the 10-seater Glacier gondola is scheduled for December 2023.

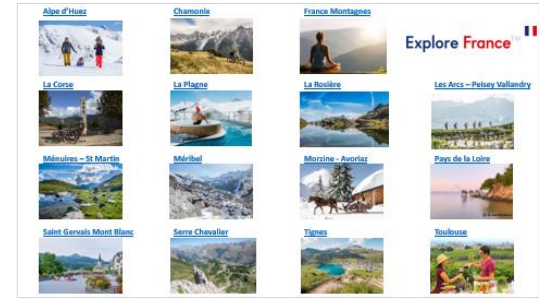

Unlike any other resort, La Rosière gives its guests the opportunity to discover **two different cultures**, French (Savoie) and Italian (Aosta Valley).

La Rosière in Winter. This charming family resort has known how to preserve itself. The inhabitants built their resort 60 years ago, from wood and exposed stone and that changes everything!

Its **Franco-Italian ski area** makes it a **unique and privileged destination** for skiers and foodies. Skiing over the border is a special moment to enjoy and will give you lasting memories.

La Rosière in Summer is a real base camp for discovering the wonders of the national parks.

It's the opportunity to take the **Skyway and climb 3500m in altitude** and rub shoulders with the Mont-Blanc, to try out mountain biking or electric bikes on the marked trails in La Rosière, to paraglide over the valley, to hit the ball on the **highest 9 hole golf course in Europe**, to refresh yourself with some white water rafting...

LES ARCS' ZIP LINE

The **Les Arcs zipline** flies over the track that hosted the "Kilometre Lancé" speed skiing demonstration discipline at the Albertville Olympics in 1992.

This activity is easy to access, the opportunity for pedestrians as well as skiers to share **vertiginous sensations**, in duo or solo, winter or summer.

VALLANDRY, THE NEW RESORT'S MUST-SEE AREA

The arrival station is designed to offer skiers and pedestrians a **relaxing moment on the panoramic terrace**, the relaxation area welcomes visitors for a break on the summit.

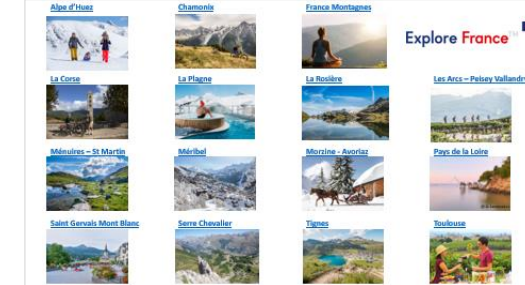

Visit to the **Museum of Mountain Animals** on the first floor of the relaxation area and discover the mountain fauna and flora.

THE COMTEMPLATIVE SPACES OF THE DOMAIN

This winter, enjoy one of our many exceptional **360° panoramas** with outstanding views of Mont Blanc and our surrounding mountains.

You will find an impressive **observation platform** located at 3226m. It offers you a panoramic 360° view and will take your breath away!

A family-friendly, purpose-built resort with fast lifts in the heart of the Three Valleys.

Les Menuires is a friendly ski resort in the heart of the largest ski area in the world. It offers a wide range of accommodation, from studios to chalets, hotels and holiday clubs.

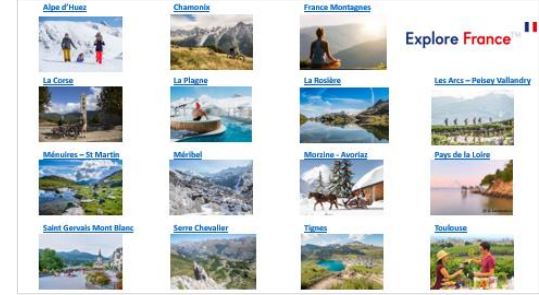

But **Les Menuires** is much more than just a ski resort. From **sledging** to **spa baths** and from **yoga** lessons to Fatbiking on the snow, the choice is yours!

In the summer, escape to the **fresh mountain air**. Besides hiking to the summits, you'll find many other interesting activities in Les Menuires.

Step into the confidence

Saint-Martin-de-Belleville is a subtle blend of tradition and discreet luxury, a charming village with access to the largest ski area in the world, Les 3 Vallées. For your winter holiday, imagine days filled with laughter and **sledging, with relaxation, snowshoe walks or dog-sled rides**

In Summer, meet the local people by visiting a **mountain farm**, discover the fauna and flora, or have a go at mountain biking. In **Saint-Martin-de-Belleville**, summer activities go hand-in-hand with authenticity and serenity.

Méribel is more than just a ski resort. Since its beginnings in 1938, the Valley has striven for excellence.

Mountain packed with powder, spectacular views, an **unlimited and varied ski playground**, unique and elegant architecture, refined and delicious dining – welcome to Méribel, the heart of the world’s largest ski area at the crossroads of 600 km of slopes connected by the summits!

But not only, the resort welcomes guests in **summer** with its **beautiful landscapes, and pure and fresh air**. The resort offers a vast range of family activities during this period: **walking, trekking, biking, well-being...**

For the past few seasons, Méribel has been bustling with ambitious projects; improvements to the ski area, new up-market accommodation: 5* hotel, luxury residences and chalets, more non ski activities, and preparations for the World Ski Championships in 2023...

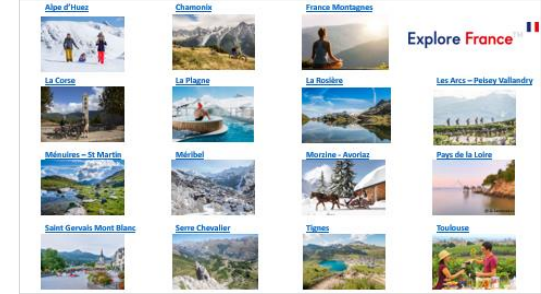

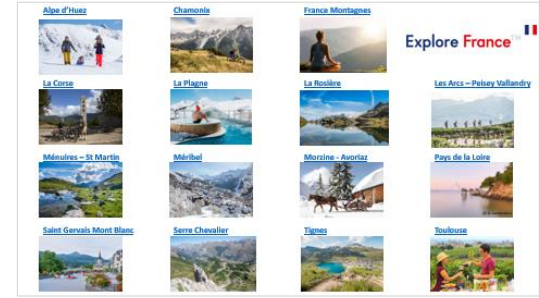

Avoriaz is one of the most advanced resorts in terms of **sustainable development**. Avoriaz has built eco-friendly residences since its creation and is an integrated car-free resort.

During the winter season, visitors are welcome to ride in **horse-drawn carriages** and in summer, we make way for bikes in this resort which is in the center of the **largest bike park** in Europe.

Morzine-Avoriaz gained the **Flocon Vert** label, an approach guaranteeing the commitment of mountain destinations to sustainable development and is constantly working to be more respectful of the planet.

Atlantic Loire Valley is located at the **crossroads of major French tourist routes**, with Nantes just 2 hours away and Angers just 1h30 from Paris by high-speed train direct from Charles-de-Gaulle Airport.

Crossed by the Loire, **the last wild European River**, Atlantic Loire Valley is about cycling along the Loire or along the Atlantic coast but also wine tasting along the way.

Biking

Atlantic Loire Valley is an ideal destination for families with very flat and well signposted routes, and also for experienced cyclists who will enjoy the connections with the great European cycle routes.

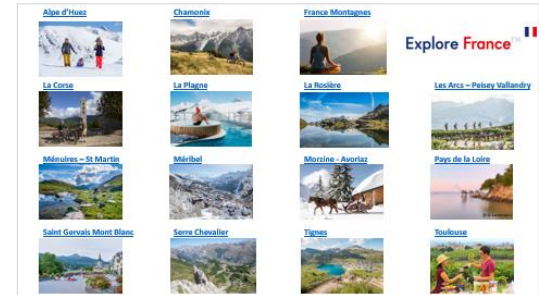

Coastline

With 450 km of coastline and 215 km of beaches, La Baule, Pornic, Les Sables d'Olonne, Noirmoutier and Yeu Islands are some of the key places to visit. Perfect for active holidays with numerous watersports.

SAINTS GERVAIS

MONT-BLANC

HEAD FOR THE SUMMITS, POLLUTION FREE!

Tramway of Mont Blanc - This coming winter, the Mont-Blanc Tramway boasts 4 new engines! After 60 years of loyal service, the highest cog railway in France gets a complete facelift.

Flying from village to village - A sustainable public transport solution, the Valley Lift is designed to enhance territorial attractiveness, develop tourism and reduce impact on the environment. Due to open in December 2023, the new lift will create a permanent link between the two villages of Le Fayet and Saint-Gervais- a fun and eco-friendly means of transport from one to the other, carrying passengers and holidaymakers above the Thermal Baths and up towards Saint-Gervais

LE SAINT-GERVAIS HOTEL & SPA

Recently opened, in spring 2022, the 4* Hotel & Spa Le Saint-Gervais boasts 75 rooms and suites in a chic and arty decor.

Ideal for leisure and business, this new hotel proposes a number of facilities including a **spa**, an **outdoor swimming pool**, **meeting rooms** and a cocktail bar.

Serre Chevalier Vallée

Serre Chevalier ski area aims is to develop the ski area sustainably, while always being **respectful of the delicate balance of our ecosystems**, preserving the quality of life in our area while allowing access to everyone who wants to experience the benefits of the mountains:

A low carbon strategy

100% electricity from renewable sources since 2011

30% renewable electricity by 2023

50% of the fleet of low-carbon gears in 2030

Preservation of ecosystems

Rehabilitate and strictly limit our future interventions

Guarantee a high level of biodiversity

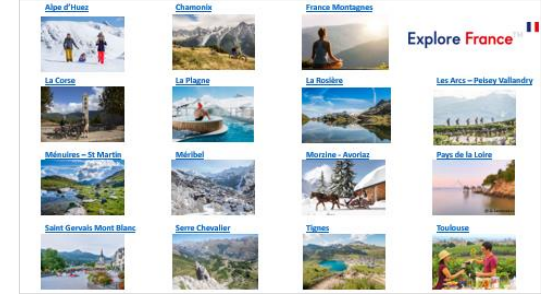

Preserve water resources

Adaptation

Investing to adapt

Diversifying our activities

Acquiring new expertise

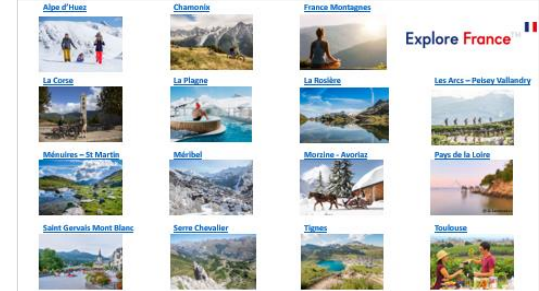

A breathtaking experience with family or friends on a Giant Zipline!

From the summit of Serre Chevalier at 2,491 m, the giant zipline is a **breathtaking experience** with a 360° panorama of the Ecrins National Park and the surrounding mountains.

An unforgettable descent of 1.1 km at a speed close to 100 km/h!

An **intense moment of emotion**, in winter and summer, alone or as a duo, with family or friends.

Tignes is the **sports resort by excellence**. Nestled at an altitude of 2100m, the resort offers a wide range of outdoor activities for everyone, whether in winter or summer.

With friends or family, whatever you are looking for, from gentle and contemplative to the more adventurous and extreme activities, come and discover all the possibilities in Tignes.

Whether it's the **guaranteed snow in winter** with ski in/ski out accommodation, or the **natural lake** in the centre of the resort in summer, the **highest 18-hole golf course in Europe**, or our **220kms of mountain bike trails**, your guests will have a unique holiday.

This new **603-metre-long structure** rises to a maximum of 158 metres above the Vall del Riu in Andorra principality.

The bridge, which is located at an altitude of 1,875 metres, is one meter wide and thus allows people to move in both directions.

All hail a new hiking trail! Along the River Tarn from its source in Lozère to Albi in the Tarn region through Aveyron.

In total: 300km of footpaths, 2 nature parks (Grands Causses and Cévennes), 2 Occitanie "Grands Sites" (Gorges du Tarn and Millau Roquefort Sylvanès), fifteen stages to experience the best of Occitanie's untamed and unspoilt land starting with some of its villages awarded **"The Most Beautiful Villages in France"**

Gourmet Toulouse can be discovered at the table of one of the city's many restaurants but above all by visiting the stalls of its markets!

Markets are synonymous with **local produce**, customs and negotiating techniques that are not always obvious to foreign visitors!
